MEMORANDUM FOR: Assistant Director (Personnel

Why wouldn't it be a good idea, as a matter of personnel policy, for you to formulate a simple paragraph for the DD/A's signature to this effect:

"We will, as a matter of personnel policy, undertake to shift among the Offices of the Agency certain high-level individuals for purposes of training and or integration, regardless of slot level held by the individual or slot level of the position in which the man will work."
